

BAG, STORAGE, DISCHARGER, ELECTROSTATIC, AIRCRAFT, TELESCOPING M342-00

The Mercatus **M342-00** Storage Bag was designed to store and protect the **MSW100** Telescoping Static Charge Removal Kit when not in use. The Bag will protect the Pole Assembly and Conductive Head Assembly, keeping them clean and covered. It has pocket storage for the Ground Cord Assembly.

Features

The Bag is made of yellow, acrylic coated polyester material that is water repellent and flame resistant. It features draw string closure with an ellipse cord lock, an outside pocket with hook and loop closure and an adjustable carrying strap.

The Bag may be washed with soap and water.
